

PRODUCT DATA SHEET

VKC5610
FLAT CHANNEL CLIP

ducting express

SPECIFICATION DETAILS

The VKC5610 204x60mm Rectangular Flat Channel Clip is manufactured from (white) Polypropylene.

It is secured to the floor slab/joist using the pre-determined screw fixing positions. The duct is then clipped into the VKC5610. Rigid Duct must be adequately supported and it is recommended at least every meter or either side of a connector.

VKC5610 is manufactured in compliance with Domestic Plastic Ductwork Specification DW/154 and does meet UL94HB flammability standard.

VKC5610 has been designed for use with Verplas System 204 Rectangular.

Manufacturer:	Verplas Ltd
